

Certified Naturally Grown Declaration for 2019

Farm Name: Sprull Farm Conservation Project

Please check each statement that applies to you.

(we) declare and affirm that the information submitted to the Certified Naturally Grown (CNG) application is correct and accurate and that no information has been left out or omitted and we agree to report any changes.

(we) have read and understand the requirements CNG standards and our products adhere to the standards.

(we) understand that Certified Naturally Grown reserves the right to remove us from the program and deny us the use of the CNG logo and marketing materials for any reason including, but not limited to, the following:

(we) declare and affirm that we do not intend to sell our products in any way that would cause confusion on the application.

(we) declare and affirm that we will only represent products as Certified Naturally Grown when they actually meet the CNG standards and come from a Certified Naturally Grown operation.

For Farmers

(we) declare and affirm that all the land for which we are applying for Certified Naturally Grown status has been free of prohibited pesticides, herbicides and fertilizers for at least three years (36 months) from the date of our first saleable harvest this year.

Or Transitional Status

(we) don't use any prohibited pesticides, herbicides and fertilizers now, but the land is still within the 36 month transitional period.

Or Transitional Status

(we) don't use any prohibited pesticides, herbicides and fertilizers now, but 40% or less of our food crops may have been exposed to 1 year and/or 3 or more treatments of fluoride or arsenic, and/or came from another agency.
