

Certified Naturally Grown Declaration for 2019

Farm (or other name) Earth Sincerely Farms

I (we) declare and affirm that we are not participating in another program, and affirm we

are participating in another program? CNO through our local affiliate in the Department of Food Policy

Green reserves the right to remove us from the program and deny us the use of the CNG logo and marketing materials for any reason including concerns that we don't adhere to CNG standards, or have missing or misleading information on the application.

I (we) declare and affirm that I (we) will only represent products as Certified Naturally Grown when they actually meet the certification standards and come from a Certified Naturally Grown operation.

For Farmers

I (we) declare and affirm that all the land for which we are applying for Certified Naturally Grown status has been free of prohibited pesticides, herbicides and fertilizers for at least three years (36 months) from the date of our last sensitive harvest this year.

g Transitional Status

I (we) don't use any prohibited pesticides, herbicides and fertilizers now, but the land is still within the 36 month transitional period.

For Growers

I (we) declare and affirm that the broad seeds in our species have never been exposed to neonicotinoids (Clothianidin, Imidacloprid, Thiamethoxam), Phosphamidon, Triphenyl Phosphor, Methyl or another additive, Triphenyl Methyl ADD or the broad seeds originated in our species (no mix).

g Transitional Status

I (we) don't use any prohibited treatments now, but 50% or less of our broad seeds may have been exposed to Triphenyl Methyl or another additive, and/or come from another species.
