

Certified Naturally Grown
Declaration for 2019

Farm / Appliance Name: Nisami Farms

Please initial each statement that applies to you:

- I (we) declare and affirm that the information submitted via the Certified Naturally Grown (CNG) application is correct and accurate, and that all information will be kept current, complete and up to date to reflect any changes.
- I (we) have read and understood the appropriate CNG standards, and our practices adhere to the requirements listed therein.
- I (we) understand that Certified Naturally Grown reserves the right to remove us from the program and deny us the use of the CNG logo and marketing materials for any reason including concerns that we don't adhere to CNG standards, or have missing or misleading information on the application.
- I (we) declare and affirm that I (we) will only represent products of Certified Naturally Grown when they actually meet the certification standards and come from a Certified Naturally Grown operation.

For Farmers
I (we) declare and affirm that all the land for which we are applying for Certified Naturally Grown status has been free of prohibited pesticides, herbicides and fertilizers for at least three years (36 months) from the date of our first saleable harvest this year.

Transitional Status

I (we) don't use any prohibited pesticides, herbicides and fertilizers now, but the land is still within the 36 month transitional period.

For Beekeepers
I (we) declare and affirm that the brood combs in our colonies have never been exposed to neonicotinoids (DivaMite), formamphate (Phoxim), Tylenol or more than two treatments of Fipronil (Apistan), taurotol or another (Moltex, Tardex or others) AND all the brood combs originated in our colonies (no nucs).

Transitional Status

I (we) don't use any prohibited treatments now, but 40% or less of our brood combs may have been exposed to Tylenol or more than two treatments of Fipronil or another, and/or came from another applier.
