

Certified Naturally Grown Declaration for 2019

Farm / Grower Name: Capitol Gardens

Please initial each statement that applies to you:

- I/we declare and affirm that the information submitted via the Certified Naturally Grown (CNG) application is correct and accurate, and that all information will be kept current, complete and up to date to reflect any changes.
- I/we have read and understand the appropriate CNG standards, and our practices adhere to the requirements listed therein.
- I/we understand that Certified Naturally Grown reserves the right to remove us from the program and deny us the use of the CNG logo and marketing materials for any marketing campaign if we don't adhere to CNG standards, or have missing or misleading information on the application.
- I/we declare and affirm that I/we will only represent products as Certified Naturally Grown when they actually meet the certification standards and come from a Certified Naturally Grown operation.

For Farmers
I/we declare and affirm that all the land for which we are applying for Certified Naturally Grown status has been free of prohibited pesticides, herbicides and fungicides for the three years (24 months) prior to the date of our first harvest harvest this year.

For Businesses
I/we declare and affirm that the food items in our stores have never been exposed to prohibited (Chlorobutyl-, terbufosphate (Phosphite), Tyer or more than two treatments of Neotrate (Atrazin, Metolachlor, or other fungicide, herbicide, or insecticide) all the harvests (or more) registered in our stores (or more).

or Transitional Status
I/we don't use any prohibited pesticides, herbicides and fungicides and the land is still within the 24 month Transitional period.

or Transitional Status
I/we don't use any prohibited treatments now, but 80% or less of our harvest items may have been exposed to Tyer and/or 2 or more treatments of Neotrate or another, and/or come from another entity.
