

Certified Naturally Grown Declaration for 2019 ~ Mushroom Operation

Farm Name: Still Point Farm

Please initial each statement that applies to you

DB I (we) declare and affirm that the information submitted via the Certified Naturally Grown (CNG) application is correct and accurate, and that all information will be kept current, complete and up to date to reflect any changes.

DB I (we) have read and understood the appropriate CNG standards, and our practices adhere to the requirements listed therein.

DB I (we) understand that Certified Naturally Grown reserves the right to remove us from the program and deny us the use of the CNG logo and marketing materials for any reason including concerns that we don't adhere to CNG standards, or have missing or misleading information on the application.

DB I (we) declare and affirm that I (we) will only represent products as Certified Naturally Grown when they actually meet the certification standards and come from a Certified Naturally Grown operation.

DB I (we) declare and affirm that all the substrate used to grow CNG mushrooms meets CNG standards, and does not contain heavy metals or byproducts of GMO crops.

Please circle the letter of the answer that applies to your operation, and initial the statements

DB The container/s used for pasteurization and/or sterilization a) meet CNG standards or b) will be replaced within two months or c) not applicable (please circle one!)

DB The fruiting room racks a) meet CNG standards or b) will be brought into compliance within twelve months or c) not applicable (please circle one!)

DB The outdoor production area a) does not contain pressure treated wood used to elevate logs or b) will have such pressure treated wood removed within two months or c) not applicable (please circle one!)
