

You're Invited...

Become a Certified Naturally Grown Business Ally

Business Allies boost the resources available to strengthen the farmers and beekeepers in our certification programs. In exchange, CNG helps our Business Allies highlight their support for locally-based sustainable agriculture.

We will thank you with the following benefits:

- Listing in CNG's newsletter, the Harvest Quarterly, with 7,000 subscribers
- Recognition on the [Business Allies page](#) of our website, with up to 6,000 visitors/month
- A dedicated blog post at the \$300+/year level
- Access to the electronic file of the [CNG Business Ally Badge](#)
- Laminated sign of the [CNG Business Ally Badge](#)
- Social Media shout-outs
- Early and exclusive invitations to sponsor our events

We welcome the participation of businesses whose work supports the growth of sustainable agriculture. Whether you represent a food co-op, a seed company, feed supplier, or a local hardware store - we'd love to hear from you!

Please note that we **only** offer certification to farmers. Unlike OMRI, we don't certify farm inputs such as soil amendments, nor do we want to get into that business. **Being a CNG Business Ally does not mean a company's products have been approved for use on CNG farms, nor does it give a company permission to market its products as CNG-certified.**

Instead, our Business Allies can proudly say they support the work of Certified Naturally Grown and the farmers at the heart of the good food movement!

We look forward to hearing from you. Please be in touch if you have any questions.

Thank you for participating!
