..... **Feed Source**

2 To be completed by the farmer. Please check only one.

- I grow some or all of my own according to the statements in section 3, which I have initialed.
For grass-fed operations, consider pasture as "feed." Proceed to complete Section 3.
- I buy certified organic feed and I have a receipt for it.
Attach a receipt that clearly indicates that the feed is certified organic and sold to you. Do not fill out Section 3.

Supplier Company Name

- I buy feed from the supplier indicated below (use one form for each supplier). **Have them complete Section 3.**

Supplier Company Name

Supplier Address

3 To be completed by suppliers or farmers growing their own feed:
Please initial each statement that applies to you.

- ___ I affirm that the feed for this livestock is grown without the use of synthetic fertilizers, herbicides or pesticides.
- ___ I affirm that the feed for this livestock is not grow from genetically modified seeds.
- ___ I affirm that the feed for this livestock is not treated with fungicides.
