To be completed by the farmer. Please check only one.

☐ I grow some or all of my own according to the statements in section 3, which I have initialed.
For grass-fed operations, consider pasture as “feed.” Proceed to complete Section 3.

☐ I buy certified organic feed and I have a receipt for it.
Attach a receipt that clearly indicates that the feed is certified organic and sold to you. Do not fill out Section 3.

Supplier Company Name

☐ I buy feed from the supplier indicated below (use one form for each supplier). Have them complete Section 3.

Supplier Company Name

Supplier Address

3

To be completed by suppliers or farmers growing their own feed:

Please initial each statement that applies to you.

☐ I affirm that the feed for this livestock is grown without the use of synthetic fertilizers, herbicides or pesticides.

☐ I affirm that the feed for this livestock is not grown from genetically modified seeds.

☐ I affirm that the feed for this livestock is not treated with fungicides.
