Livestock Feed Form 2022

To be filled out by person/s applying to Certified Naturally Grown for livestock certification. We need to receive this before approving your livestock application.

Please use one form for each supplier, including your grass fed operation.

Download form here to print more copies: www.cngfarming.org/feed

If you haven’t submitted a Feed Form to CNG within the past 12 months, be sure to complete and submit one along with your inspection report.

1 This declaration applies to the following livestock for which I seek certification:

Feed Source

To be completed by the farmer. Please check only one.

☐ I grow some or all of my own according to the statements in section 3, which I have initialed.

For grass-fed operations, consider pasture as “feed.” Proceed to complete Section 3.

☐ I buy certified organic feed and I have a receipt for it.

Attach a receipt that clearly indicates that the feed is certified organic and sold to you. Do not fill out Section 3.

Supplier Company Name

☐ I buy feed from the supplier indicated below (use one form for each supplier). Have them complete Section 3.

Supplier Company Name

Supplier Address

To be completed by suppliers or farmers growing their own feed:

Please initial each statement that applies to you.

☐ I affirm that the feed for this livestock is grown without the use of synthetic fertilizers, herbicides or pesticides.

☐ I affirm that the feed for this livestock is not grow from genetically modified seeds.

☐ I affirm that the feed for this livestock is not treated with fungicides.
