

Certified Naturally Grown
PRODUCE SUMMARY INSPECTION REPORT

Farmer/s: E.J. School Farm name: Digging In The Dirt
Inspector: Bob Pelli Affiliation (farm name, extension,...) Master Gardener

Inspector is: CNG Farmer Farmer using natural practices Cert Organic Farmer
 Extension or NRCS Agent Sust Ag Educator Master Gardener Customer (1 of 3)

Date of the inspection: 9/23/2014 Duration: 1

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree Disagree BP
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree Disagree BP
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree Disagree BP
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree Disagree BP
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree Disagree BP
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm

be included **not be included**

in the Certified Naturally Grown program.

As a CNG farmer I'm committed to continually enhancing my farm's sustainability and going beyond what's required. During the next twelve months I will... create, with other staff members as many seed-to-table taste tests + curriculum connectors as allowed by garden production.
