Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

- The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm. Agree / Disagree MCB
(Your initials)
- The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land. Agree / Disagree MCB
(Your initials)
- I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm. Agree / Disagree MCB
(Your initials)
- The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination. Agree / Disagree MCB
(Your initials)
- The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage. Agree / Disagree MCB

As a CNG farmer I'm committed to continually enhancing my farm's sustainability and going beyond what's required. During the next twelve months I will... pass on my knowledge to my children and community while seeking further experiences through my local NCAT and gardening teachers.
