Inspector is a: CNG Farmer Farmer using natural practices Cert Organic Farmer
 Extension Agent Sust Ag Educator Master Gardener Customer (1 of 3)
Date of the inspection: 29 Jul 2016 How long did the inspection last?: 1.5 hours

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm.

Agree / Disagree Info
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land.

Agree / Disagree Info
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm.

Agree / Disagree Info
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination.

Agree / Disagree Info
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage.

Agree / Disagree Info
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm

be included not be included

in the Certified Naturally Grown program.
