

**Certified Naturally Grown  
Inspection Report ~ Apiary**

Apiary Name Honeybee Keep  
Beekeeper/s Name/s Dan Studinski  
Apiary Location/s Throughout Colorado  
Inspector Michael Lombard  
Inspector Affiliation/s (club &/or apiary) Cottonwood Apiary  
Inspection Date 9/29/2016 Total Inspection Time: 20hrs

To the best of my abilities and based on my observations and interview with the beekeeper/s, I feel confident in making the following declarations about the apiary/ies the above beekeeper wants to have listed as Certified Naturally Grown:

The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located.  Agree / Disagree M  
(Your initials)

The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population.  Agree / Disagree ML  
(Your initials)

The beekeeper refrains from the use of synthetic in-hive treatments.  Agree / Disagree ML  
(Your initials)

The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar.  Agree / Disagree ML  
(Your initials)

The beekeeper refrains from overaggressive harvesting of pollen and propolis – the bees' food and medicine.  Agree / Disagree ML  
(Your initials)

The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population.  Agree / Disagree ML  
(Your initials)

I certify that to the best of my abilities, observations, and based on my personal interview with the beekeeper/s, I feel confident in recommending that the above listed beekeeper/s and their apiary

**be included**       **not be included**      (please circle one)

in the Certified Naturally Grown program.
