

**Certified Naturally Grown
APIARY SUMMARY INSPECTION REPORT**

Beekeeper(s): Allison Reid-Cunningham Apiary Name: Valkalla Organics
Inspector: Magdalena Winter Affiliation (Bee Club/Apiary): Be Happy Herbs

Inspector is: CNG Beekeeper Beekeeper using natural practices
 Educator of natural beekeeping Customer (1 of 3) Certified Organic Beekeeper

Date of the inspection: July 31, 2019 Total Inspection Time: 2 hours

Based on my observations and interview with the beekeeper(s), I feel confident in making the following declarations about the operation:

The beekeeper is careful to make sure that no prohibited insecticides, herbicides, fungicides, chemical fertilizer, or genetically modified crops are used on the land where the apiary is located. Agree Disagree MW
(Your initials)

The hives are located in an area/s with abundant and diverse pollen and nectar sources that are adequate to support the health of the apiary's bee population. Agree Disagree MW
(Your initials)

The beekeeper refrains from the use of synthetic in-hive treatments. Agree Disagree MW
(Your initials)

The beekeeper refrains from overaggressive harvesting of honey and excessive feeding of sugar. Agree Disagree MW
(Your initials)

The beekeeper demonstrates a commitment to sustainable practices that seek to protect and improve the health of the honey bee population. Agree Disagree MW
(Your initials)

I feel confident in recommending that the above listed producer(s) and their apiary...

be included

not be included

...in the Certified Naturally Grown program.
