 Date of the inspection: 7/13/2020 How long did the inspection last?: 1 hour

(grows surplus for sale)

Based on my observations and interview with the producer(s), I feel confident in making the following declarations about the operation:

The producer engages in sustainable agricultural practices that promote the long-term fertility of soils and conserve water resources on their farm.

Agree Disagree KC
(Your initials)

The farmer demonstrates a commitment to the protection of the air, soils, waters, and biodiversity of the surrounding land.

Agree Disagree KC
(Your initials)

I saw no evidence that prohibited insecticides, herbicides, fungicides, or chemical fertilizers were in use on the farm.

Agree Disagree KC
(Your initials)

The land under consideration looks to be surrounded by an adequate buffer to protect from chemical spray drift contamination.

Agree Disagree KC
(Your initials)

The farmer is careful to make sure that no genetically modified or chemically treated seeds are used on this acreage.

Agree Disagree KC
(Your initials)

I feel confident in recommending that the above listed producer(s) and their farm...

be included

not be included

...in the Certified Naturally Grown program.
